

# GetGenome Newsletter

June 2024

We are pleased to present the June 2024 edition of our monthly newsletter, providing a snapshot of GetGenome's progress and key highlights. The main highlights this month include:

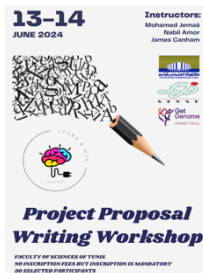

**GGMENA2024 is open! Apply now –**

<https://getgenome.net/callforprojects/ggmena2024>

The GetGenome CFP, #GGMENA2024 is eligible for researchers across the Middle-East and North Africa. The CFP will support projects concerned with non-pathogenic, culturable bacteria. Deadline is 26<sup>th</sup> June 2024. Appel à projets, pour soutenir les chercheurs du Moyen-Orient et de l'Afrique du Nord afin qu'ils puissent accéder aux technologies et formations en génomique. La date limite est le 26 juin 2024.

## Project Proposal Writing Workshop at Faculty of Sciences of Tunis

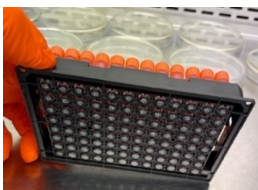

GetGenome is joining our associate Dr Mohamed Jemma, [Learn & Win](#) and the Faculty of Sciences of Tunis (FST) once again to deliver a writing skills workshop. The sessions will be aimed at researchers with ambitions to write project proposals and grant applications – very important skills for early-career as well as more experienced scientists. We are looking forward to meeting the participants and share our insights. Join us on [X](#) and [Facebook](#) @GetGenome stay keep up-to-date.

## Professor Saskia Hogenhout FRS

Professor Saskia Hogenhout, group leader at the John Innes Centre and GetGenome Trustee, has been elected as a Fellow of the Royal Society. We extend our heartfelt congratulations to Saskia for this remarkable achievement which recognizes her substantial contributions to her field. Saskia has brought her passion for the life sciences and invaluable experience to GetGenome and we are honoured that she continues to guide our organization as a Trustee.

## Recovery & Collaboration – the GetGenome Sample Repository

In addition to providing genomic data to our participants, we offer secure storage of biological samples. The GetGenome Sample Repository has proven invaluable by enabling sample recovery and facilitating research collaboration. Remember we only distribute samples upon the provider's explicit request. Our MTA can be found [here](#).
